Tour Kickoff Concert

WEDNESDAY, FEBRUARY 15, 6:30 P.M.

Admission is free. Donations are most welcome.

EVERYONE IS INVITED.

The St. John Paul II School Concert Choir and Chamber Choir have performed on Tour throughout the Northeastern United States over the past twelve years, including St. Patrick's Cathedral (both the Solemn Pontifical Mass with Timothy Cardinal Dolan and in concert with organist Michael Hey), as well as internationally, including two Masses at the Vatican, and throughout Rome. Each year's Broadway Concert Tour features daily performances by the choirs (40+ voice Concert Choir, as well as Mixed Chamber Choir), as well as workshops with Broadway actors, directors and music directors on a variety of topics relevant to performance in school and beyond. The comprehensive Performing Arts curriculum is designed to foster the singing, acting, dancing, and technical theater skills of the students while preparing them to be strong, overall performers on the stage of life, regardless of chosen career, endeavoring to fulfill their vocation in Christ.
