INDEPENDENT AUDITORS' REPORT

Board of Directors
Catholic Memorial Home, Inc.
Fall River, Massachusetts

Report on the Financial Statements

Opinion

We have audited the accompanying financial statements of Catholic Memorial Home, Inc. (the Home), which comprise the statement of financial position as of December 31, 2022, and the related statements of activities and changes in net assets and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Catholic Memorial Home, Inc., as of December 31, 2022, and the results of its operations, changes in net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Home and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Home's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Home's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Home's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

CATHOLIC MEMORIAL HOME, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022

NOTE 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Catholic Memorial Home, Inc. (the Home) is a nonprofit charitable corporation, which owns and operates a 273-bed nursing home in Fall River, Massachusetts. Effective July 2022, due to statewide regulatory requirements of dedensification, the Home now operates 249-beds. The Home provides comprehensive health services which include skilled nursing, rehabilitation programs, specialized Alzheimer's care, pain management and palliative care.

A summary of the Home's significant accounting policies follows:

Basis of Presentation

Net assets, revenues, expenses, gains, and losses are classified based on the existence of donor-imposed restrictions. Accordingly, net assets of the Home and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Include net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. At times, the board of directors can designate, from net assets without donor restrictions, net assets designated for special use.

Net Assets With Donor Restrictions – Include net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purposes for which the resources was restricted has been fulfilled, or both.

Revenue and Support With and Without Donor Restrictions

Donations and contributions received are recorded as without donor restrictions or with donor restrictions. Support that is restricted by the donor is reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in net assets with donor restrictions based on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Measure of Operations

For purposes of presentation, transactions deemed by management to be an integral part of its programs and supporting activities, net assets released from donor restrictions to support operating expenditures, and transfers from board-designated and other nonoperating funds to support current operating activities are reported as operating revenues and expenses. The measure of operations excludes donations, contribution income, net fundraising revenue, and investment activity.

CATHOLIC MEMORIAL HOME, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022

**NOTE 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)**

Performance Indicator

For purposes of presentation, the change in net assets without donor restrictions is the operating indicator for the Home. Other changes in net assets without donor restrictions that are excluded from the operating indicator, consistent with industry practice, included unrealized gains and losses on nonequity investments, restricted contributions of long-lived assets (including assets acquired using contributions which by donor restriction were to be used for the purpose of acquiring such assets), and net asset transfers.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Contributions, Donations, Gifts, and Bequests

Contributions, including unconditional promises to give, are recognized as revenue in the period received or promised. Conditional promises to give are not recognized until they become unconditional, that is, at the time when the conditions on which they depend are substantially met. Contributions to be received after one year are discounted at an appropriate discount rate commensurate with the risk involved.

Contributions received with donor-imposed restrictions are reported as revenues net with donor restrictions when they are received. A reclassification to net assets without donor restrictions is made to reflect the expiration of such restrictions in the year the restriction is met. Contributions received with donor-imposed restrictions that are met in the same year as received are reported as revenues of the net asset without donor restrictions class.

Contributions of property and equipment without donor stipulations concerning the use of such long-lived assets are reported at fair value as revenues without donor restrictions. Contributions of cash or other assets to be used to acquire property and equipment with donor stipulations are reported as revenues with donor restrictions, and the restrictions are considered to be released at the time of acquisition of such long-lived assets.

Contributions of services are reported as revenues and expenses without donor restrictions at the fair value of the services received only if the services create or enhance a nonfinancial asset or would typically need to be purchased by the Home if they had not been provided by individuals with those skills. Contributions of goods to be used in program operations are reported as revenues and expenses without donor restrictions at the time the goods are received.

CATHOLIC MEMORIAL HOME, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022

**NOTE 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)**

Governmental Grants

The Home recognizes governmental grants once there is reasonable assurance that any conditions attached to the grant will be met and the grant will be received. Once there is reasonable assurance that the conditions will be met, the grant is recognized on a systemic basis over the periods in which the Home recognizes as expenses the related costs for which the grants are intended to compensate. Thus, the Home would initially record the governmental grant as a deferred income liability and then reduce the liability and recognize revenue as the Home recognized the related cost to which the grant relates.

Adoption of Accounting Pronouncements

In February 2016, the Financial Accounting Standards Board issued Accounting Standards Update No. 2016-02, *Leases (ASC 842)*. The new standard increases transparency and comparability among organizations by requiring the recognition of right-of-use (ROU) assets and lease liabilities on the statement of financial position. Most prominent among the changes in the standard is the recognition of ROU assets and lease liabilities by lessees for those leases classified as operating leases.

The Home adopted the requirements of this guidance effective January 1, 2022, and has elected to apply the provisions of this standard to the beginning of the period of adoption, with certain practical expedients available.

The Home has no material long-term leases or month-to-month rentals. Therefore, the standard had no impact on the statement of financial position, statement of activities and changes in net assets and statement of cash flows.

Tax Status and Uncertain Tax Positions

The Home is qualified under Section 501(c)(3) of the Internal Revenue Code (IRC) and is generally exempt from federal and state corporate income taxes on related income.

The Home follows the provisions of the income tax accounting standards regarding the recognition and measurement of uncertain tax positions. The application of these provisions have no material impact on the Home's financial statements. Management is not aware of any activities that would jeopardize its tax-exempt status or aware of any activities that are subject to tax on unrelated business income or excise or other taxes. Tax returns are subject to review and examination by federal, state and local authorities in accordance with prescribed statutes. The Home has not been examined for any open years.

Cash, Cash Equivalents, and Restricted Cash

The Home considers all short-term highly liquid investments purchased with an original maturity of three months or less to be cash equivalents. Cash and cash equivalents designated for long-term purposes or received with donor-imposed restrictions limiting their use to long-term purposes are considered cash and cash equivalents for purposes of the statement of cash flows. The balances are insured by the Federal Deposit Insurance Corporation (FDIC) up to certain limits. At times, cash in bank may exceed FDIC insurable limits.

**CATHOLIC MEMORIAL HOME, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022**

**NOTE 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)**

Cash, Cash Equivalents, and Restricted Cash (Continued)

The restricted cash belongs to residents of the Home and represents funds on deposit to be used for residents' personal needs. It is not available for use by the Home. The related liability is included as Custodial Funds on the statement of financial position.

The following table provides a reconciliation of cash, cash equivalents, and restricted cash reported within the statement of financial position that sum to the total of the same such amounts on the statement of cash flows.

Cash and Cash Equivalents	\$ 10,922,390	
Restricted Cash	76,024	
Total Cash, Cash Equivalents, and Restricted Cash Shown in Statement of Cash Flows		

Accounts Receivable – Residents

Accounts receivable are recorded net of an allowance for uncollectible accounts. The allowance is estimated from historical performance and projections of trends. Credit is extended to residents and collateral is not required. The Home determines delinquent accounts based on individual facts and circumstances. Historically, the Home has not charged interest on accounts that are deemed to be delinquent.

Inventories of Supplies

Inventories of supplies are carried at the lower of cost (determined by the first-in, first-out method) or net realizable value.

Property and Equipment

Property and equipment are stated at cost less accumulated depreciation. Donated property is recorded at its estimated fair value at the date of receipt. Gifts of long-lived assets are recorded at their fair market value at the date of donation and reported as support without donor restrictions unless explicit donor stipulations specify how the assets are to be used, and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulation about how long those assets must be maintained, expiration of donor restrictions are reported when the donated or acquired long-lived assets are placed into service.

Maintenance repairs and minor renewals are expensed as incurred. Acquisitions of property and equipment in excess of \$5,000 or more per item and all expenditures for renewals and betterments that materially extend the useful life of the asset are capitalized. Depreciation is computed using the straight-line method over the following estimated useful life of the assets. Depreciation expense charged to operations amounted to \$300,851 for 2022.

Buildings	40 Years
Land and Building Improvements	20 Years
Equipment	3 to 20 Years
Motor Vehicles	4 to 5 Years

CATHOLIC MEMORIAL HOME, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022

**NOTE 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)**

Property and Equipment (Continued)

The Home records impairment losses on property and equipment when events or circumstances indicate that it is probable that the assets are impaired and the undiscounted cash flows estimated to be generated by those assets are less than the carrying amount of those assets. Long-lived assets to be disposed of are reported at the lower of carrying amount or fair value less cost to sell. Based on management's estimates, no impairment losses have been recorded as of December 31, 2022.

Fair Value of Beneficial Interest in Perpetual Trusts

The Home is one of multiple beneficiaries of trust funds administered by other entities. The Home only receives income from these trusts and will never be able to access the principal of the trusts. The Home records its beneficial interest in these trusts as an investment based on the trust administrator's valuation of the specific trust in its entirety. The investment income derived from these funds are reported as nonoperating income, while the unrealized gains and losses are included in the change in net assets with donor restriction.

The Home categorizes its assets and liabilities measured at fair value into a three-level hierarchy based on the priority of the inputs to the valuation technique used to determine fair value. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used in the determination of the fair value measurement fall within different levels of the hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurement.

Assets and liabilities valued at fair value are categorized based on the inputs to the valuation techniques as follows:

Level 1 – Inputs that utilize quoted prices (unadjusted) in active markets for identical assets or liabilities that the Home has the ability to access.

Level 2 – Inputs that include quoted prices for similar assets and liabilities in active markets and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument. Fair values for these instruments are estimated using pricing models, quoted prices of securities with similar characteristics, or discounted cash flows.

Level 3 – Inputs that are unobservable inputs for the asset or liability, which are typically based on an entity's own assumptions, as there is little, if any, related market activity.

In instances where the determination of the fair value measurement is based on inputs from different levels of the fair value hierarchy, the level in the fair value hierarchy within which the entire fair value measurement falls is based on the lowest level input that is significant to the fair value measurement in its entirety.

Professional standards allow entities the irrevocable option to elect the measure certain financial instruments and other items at fair value for the initial and subsequent measurement on an instrument-by-instrument basis. The Home adopted the policy to value certain financial instruments at fair value.

CATHOLIC MEMORIAL HOME, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022

**NOTE 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)**

Endowment Fund Investment and Spending Policies

The Home's endowment funds consist principally of the beneficial interest in three perpetual trusts that are held and administered by other entities. The Home's endowment funds only include donor-restricted funds and no funds designated by the board of directors to function as endowment funds. As required by accounting principles generally accepted in the United States of America, net assets associated with endowment funds, including funds designated by the board of directors to function as endowment funds, are classified and reported based on the existence or absence of donor-imposed restrictions.

The Home has determined that its beneficial interest in perpetual trusts received as an endowment is subject to the terms of the governing documents of the trusts. Changes in the value of the endowment assets are added or subtracted from the original amount of the contribution. Actual returns in any given year may vary and distributions received by the Home also may fluctuate.

Related Party Loans Receivable

The Home's due from affiliates balance on the statement of financial position includes unsecured related party loans receivable from affiliates that bear no interest and have no fixed repayment terms, as detailed in Note 9, and are considered a single portfolio class. Loans receivable are recorded net of an allowance for expected loan losses (allowance). The Home establishes an allowance as an estimate of inherent risk in the Home's loan portfolio. Although management believes the allowance to be adequate, ultimate losses may vary from its estimates. The allowance is established through a provision for loan losses that is charged to expense. Loan losses are charged off against the allowance when the Home determines the loan balance to be uncollectible. Proceeds received on previously charged off amounts are recorded as a recovery in the year of receipt. The Home determined that all related party loans receivable are fully collectible as of December 31, 2022.

The Home reviews the adequacy of the allowance, including consideration of the relevant risks in the loan portfolio, current economic conditions, and other factors periodically. The Home internally monitors related party borrowers to assess the risk of nonperformance. If the Home determines that changes are warranted based on those reviews, the allowance is adjusted.

Net Resident Service Revenue

Net resident service revenue is reported at the estimated net realizable amounts. Third-party revenues are recorded as indicated in Note 2.

Promotional Advertising

Promotional advertising costs are expensed as incurred. Advertising expenses amounted to \$3,640 in 2022.

CATHOLIC MEMORIAL HOME, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022

**NOTE 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)**

Functional Expenses

The financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Expenses are directly allocated to program or support services whenever possible. Other shared expenses are allocated based on a reasonable basis that is consistently applied. The expenses that are allocated include occupancy expenses based on an estimated allocation percentage between program and supporting services, as well as salaries, payroll taxes and employee benefits, which are allocated on a basis of estimates of time and effort.

Leases

The Home determines if an arrangement is a lease at inception. Operating leases are included in ROU assets – operating and lease liability – operating, and finance leases are included in ROU assets –financing and lease liability – financing in the statement of financial position.

ROU assets represent the Home's right to use an underlying asset for the lease term and lease liabilities represent the Home's obligation to make lease payments arising from the lease. ROU assets and liabilities are recognized at commencement date based on the present value of lease payments over the lease term. Lease terms may include options to extend or terminate the lease when it is reasonably certain that the Home will exercise that option. Lease expense for operating lease payments is recognized on a straight-line basis over the lease term.

The Home has elected to recognize payments for short-term leases with a lease term of 12 months or less as expense as incurred and these leases are not included as lease liabilities or ROU assets on the statement of financial position.

The individual lease contracts do not provide information about the discount rate implicit in the lease. Therefore, the Home has elected to use a risk-free discount rate determined using a period comparable with that of the lease term for computing the present value of lease liabilities.

The Home has elected not to separate nonlease components from lease components and instead accounts for each separate lease component and the nonlease component as a single lease component.

As of December 31, 2022, management has determined the Home's leases are not material and therefore ROU assets and lease liabilities are not reflected in the financial statements.

Subsequent Events

In preparing these financial statements, the Home has evaluated events and transactions for potential recognition or disclosure through June 30, 2023, the date the financial statements were issued.

**CATHOLIC MEMORIAL HOME, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022**

NOTE 2 RESIDENT SERVICE REVENUES

Resident service revenue is reported at the amount that reflects the consideration to which the Home expects to be entitled in exchange for providing nursing care. These amounts are due from residents, third-party payors (including health insurers and government programs), and others and includes variable consideration for retroactive revenue adjustments due to settlement of audits, reviews, and investigations. Generally, the Home bills the residents and third-party payors several days after the end of the month that services are performed. Revenue is recognized as performance obligations are satisfied.

Performance obligations are determined based on the nature of the services provided by the Home. Revenue for performance obligations satisfied over time is recognized based on actual charges incurred in relation to total expected (or actual) charges. The Home believes that this method provides a faithful depiction of the transfer of services over the term of the performance obligation based on the inputs needed to satisfy the obligation. Generally, performance obligations satisfied over time relate to residents in our facility receiving skilled nursing. The Home measures the performance obligation from admission into the facility to the point when it is no longer required to provide services to that resident, which is generally at the time of discharge.

The Home determines the transaction price based on standard charges for goods and services provided, reduced by contractual adjustments provided to third-party payors, discounts provided to uninsured patients in accordance with the Home's policy, and/or implicit price concessions provided to patients. The Home determines its estimates of contractual adjustments based on contractual agreements, its policies, and historical experience. The Home determines its estimate of implicit price concessions based on its historical collection experience.

Agreements with third-party payors typically provide for payments at amounts less than established charges. A summary of the payment arrangements with major third-party payors follows:

Medicaid – Standard Payments to Nursing Facilities

The Home receives reimbursement from the Commonwealth of Massachusetts under a standard rate of reimbursement payment system for the care and services rendered to publicly-aided residents pursuant to regulations promulgated by the Center for Health Information and Analysis. Under the regulations, current year rates are a combination of actual base year costs blended with industry standards adjusted for inflation. The base year costs are subject to audit and could result in a retroactive rate adjustment for the current year.

Medicare – Prospective Payment System

The Home receives reimbursement for the care of certain residents under the federally sponsored Medicare prospective payment system (PPS) through an insurance intermediary under a patient driven payment model (PDPM). The federal rates utilize facility case-mix resident assessment data, completed by the skilled nursing facility (SNF), to assign patients into Resident Classification System (RCS) using the underlying complexity and clinical needs of a patient as a basis for reimbursement. SNFs must complete the resident assessments according to a specific time schedule designed for Medicare payment.

CATHOLIC MEMORIAL HOME, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022

NOTE 2 RESIDENT SERVICE REVENUES (CONTINUED)

Medicare – Prospective Payment System (Continued)

SNFs that do not comply with this requirement will be paid at a default payment (the lowest of the federal rates) for the days of a patient's care for which the SNF is not in compliance.

The PPS program mandates the implementation of fee schedules for SNF therapy services to residents not in a covered Part A stay and to nonresidents who receive outpatient rehabilitation services from the SNF. The Centers for Medicare and Medicaid Services imposed a limit for both physical therapy (including speech therapy) and occupational therapy services, except for certain medical conditions. Program is administered by the Centers for Medicare and Medicaid Services (CMS).

Other

Payment agreements with certain commercial insurance carriers, health maintenance organizations, and preferred provider organizations provide for payment using prospectively determined daily rates.

Laws and regulations concerning government programs, including Medicare and Medicaid, are complex and subject to varying interpretation. As a result of investigations by governmental agencies, various health care organizations have received requests for information and notices regarding alleged noncompliance with those laws and regulations, which, in some instances, have resulted in organizations entering into significant settlement agreements. Compliance with such laws and regulations may also be subject to future government review and interpretation as well as significant regulatory action, including fines, penalties, and potential exclusion from the related programs. There can be no assurance that regulatory authorities will not challenge the Home's compliance with these laws and regulations, and it is not possible to determine the impact (if any) such claims or penalties would have upon the Home. In addition, the contracts the Home has with commercial payors also provide for retroactive audit and review of claims.

Settlements with third-party payors for retroactive adjustments due to audits, reviews, or investigations are considered variable consideration and are included in the determination of the estimated transaction price for providing patient care. These settlements are estimated based on the terms of the payment agreement with the payor, correspondence from the payor and the Home's historical settlement activity, including an assessment to ensure that it is probable that a significant reversal in the amount of cumulative revenue recognized will not occur when the uncertainty associated with the retroactive adjustment is subsequently resolved. Estimated settlements are adjusted in future periods as adjustments become known (that is, new information becomes available), or as years are settled or are no longer subject to such audits, reviews, and investigations. Adjustments arising from a change in an implicit price concession impacting transaction price, were not significant in 2022.

Generally residents who are covered by third-party payors are responsible for related deductibles and coinsurance, which vary in amount. The Home estimates the transaction price for residents with deductibles and coinsurance based on historical experience and current market conditions. The initial estimate of the transaction price is determined by reducing the standard charge by any contractual adjustments, discounts, and implicit price concessions.

CATHOLIC MEMORIAL HOME, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022

NOTE 2 RESIDENT SERVICE REVENUES (CONTINUED)

Subsequent changes to the estimate of the transaction price are generally recorded as adjustments to resident service revenue in the period of the change. A decrease in revenue recognized due to changes in its estimates of implicit price concessions, discounts, and contractual adjustments related to prior-year retroactive adjustments in excess of amounts previously estimated amounted to \$133,549 for the year ended December 31, 2022. Subsequent changes that are determined to be the result of an adverse change in the resident's ability to pay are recorded as bad debt expense.

The Home has determined that the nature, amount, timing and uncertainty of revenue and cash flows are affected by the following factors:

- Payors (for example, Medicare, Medicaid, managed care or other insurance, resident) have different reimbursement/payment methodologies
- Length of the patient's service
- Geography of the service location
- Method of reimbursement (fee for service)
- Nursing Home's line of business that provided the service (for example, skilled nursing, rehabilitation services, etc.)

For the year ended December 31, 2022, the Home recognized revenue of \$22,483,044 from goods and services that transfer to the customer over time.

The opening and closing contracted balances were as follows:

	Accounts Receivable
Balance as of January 1, 2022	\$ 2,533,573
Balance as of December 31, 2022	1,922,763
	Deferred Revenue
Balance as of January 1, 2022	\$ 352,568
Balance as of December 31, 2022	208,736

NOTE 3 ACCOUNTS RECEIVABLE - RESIDENTS

Accounts receivable is comprised of the following at December 31, 2022:

Private and HMO Residents	\$ 414,906
Medicare Residents	142,303
Publicly-Aided and Other Residents	1,365,554
Accounts Receivable - Residents	\$ 1,922,763

Bad debts charged to operations amounted to approximately \$30,000 for 2022.

**CATHOLIC MEMORIAL HOME, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022**

NOTE 4 CONCENTRATION OF CREDIT RISK

Financial instruments that potentially subject the Home to concentrations of credit risk consist principally of the following:

Cash, Cash Equivalents, and Restricted Cash

Cash balances are held at a banking institution where all deposits are fully insured by the Federal Deposit Insurance Corporation (FDIC) and Depositors Insurance Fund (DIF). The DIF insures all deposits above the FDIC limit.

Accounts Receivable – Residents

The Home extends unsecured credit to its private residents and residents covered under third-party payor arrangements. Accounts receivable from private residents and third-party payors totaled \$1,922,763 at December 31, 2022. See Note 2 and Note 3 for details of third-party payor arrangements and receivable balances, respectively.

Due From Affiliates

The Home extends unsecured credit to its affiliates under certain payor arrangements, see Note 9. Amounts due from affiliates totaled \$6,707,140 at December 31, 2022.

NOTE 5 BENEFICIAL INTEREST IN PERPETUAL TRUSTS AND FAIR VALUE MEASUREMENTS

The Home is one of multiple beneficiaries of trust funds administered by other entities. The Home only receives income from these trusts and will never be able to access the principal of the trusts. The Home records its beneficial interests in three trusts as an investment. For one trust, the Home determines the fair market value of its beneficial interest in the trust based on the trust administrator's valuation of the entire trust. Then, the Home records its portion (33 1/3% of the entire trust) as the value of its interest in the trust. For the second trust, the Home determines the fair market value of its beneficial interest in the trust based on 100% of the fair market value of its beneficial interest in the trust based on the trust administrator's valuation of the entire trust. For the third trust, the Home determines the fair market value of its beneficial interest in the trust based on 50% of the fair market value of its beneficial interest in the trust based on the trust administrator's valuation of the entire trust. The fair value of beneficial interests in perpetual trusts are determined based on the Home's beneficial portion of the fair market value of the underlying assets in each respective trust. The underlying assets for the beneficial interests in perpetual trusts consist of marketable securities.

The following table presents the Home's fair value hierarchy for those assets measured at fair value on a recurring basis as of December 31:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Beneficial Interest in Perpetual Trusts	<u>\$ 3,150,968</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,150,968</u>

**CATHOLIC MEMORIAL HOME, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022**

**NOTE 5 BENEFICIAL INTEREST IN PERPETUAL TRUSTS AND FAIR VALUE MEASUREMENTS
(CONTINUED)**

The following table provides a summary of unobservable inputs related to the Home's Level 3 financial instruments as of December 31:

<u>Instrument</u>	<u>2022</u>	<u>Principal Valuation Technique</u>	<u>Unobservable Inputs</u>
Beneficial Interest in Perpetual Trusts	<u>\$ 3,150,968</u>	FMV of Trust Investments	Time Period of Trusts

The changes in investments measured at fair value for which the Home has used Level 3 inputs to determine fair value are as follows:

	<u>Beneficial Interest in Perpetual Trusts</u>
Balance - January 1, 2022	\$ 2,821,280
Contribution of Beneficial Interest in Perpetual Trusts	1,169,976
Change in Net Unrealized Losses	(840,288)
Balance - December 31, 2022	<u>\$ 3,150,968</u>

The unrestricted income for the associated beneficial interests in perpetual trusts received in 2022 amounted to approximately \$177,000 and is included in nonoperating income as interest and dividend income on the statement of activities. The unrealized loss associated with the beneficial interests in perpetual trusts was approximately \$840,000, for which is considered to be restricted, and is included in the changes in net assets with donor restrictions.

In fiscal year 2022, the Home was named as replacement beneficiary to an existing trust. This determination, made by the plan's trustee, resulted in a contribution of approximately \$1,170,000 (market value of 50% of the entire trust), which has been included in the change in net assets with donor restrictions on the statement of activities. The fair value of this trust is also included in the beneficial interest in perpetual trusts on the statement of financial position.

NOTE 6 PENSION PLANS

Frozen Contributory, Defined-Benefit Plan

The Home participates with other related and affiliated nonprofit organizations in a multiemployer, contributory, defined-benefit plan (the Plan) administered by the Diocese of Fall River (the Diocese).

Effective December 31, 2015, the Diocese froze the Plan to new entrants and froze the future benefit accruals for all current participants under the Plan. The Plan covered substantially all lay employees who were eligible to participate in the Plan prior to the freeze. As of January 1, 2018, the Plan is requiring that the Home contribute annually 3% of its December 15, 2015 salaries to the Plan in 12 monthly installments.

**CATHOLIC MEMORIAL HOME, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022**

NOTE 6 PENSION PLANS (CONTINUED)

Frozen Contributory, Defined-Benefit Plan (Continued)

The Home has determined that its contributions represent more than 5% of total contributions to the Plan in 2022. To the extent that the Plan is underfunded, if at all, future contributions by the Home to the Plan may or may not be affected depending upon how the Plan decides to handle the underfunding.

For the year ended December 31, 2022, the Home made pension contributions to the Plan of approximately \$446,000. The Home owed \$43,691 for these contributions at December 31, 2022, which is included in accounts payable on the statement of activities at December 31, 2022. In replacement of the frozen Plan, the Home's employees can contribute to a 403(b) plan as noted below.

403(b) Plan

On August 1, 2010, the Home joined the Roman Catholic Bishop of Fall River 403(b) Plan (the 403(b) Plan). The Home participates with other related and affiliated nonprofit organizations in this defined contribution deferred savings plan based on total compensation and qualifies under Section 403(b) of the IRC. The 403 (b) Plan is administered by the Diocese of Fall River. All employees are eligible to participate immediately upon employment at the Home. The Home is not making matching contributions to the 403 (b) Plan.

NOTE 7 PROFESSIONAL LIABILITY CLAIMS

The Home purchases professional and general liability insurance to cover professional liability claims. Through December 31, 2022, the Home was covered by an occurrence-based policy. The Home is not aware of any known claims and incidents, however there may be claims from unknown incidents, that have been or may be asserted arising from services provided to residents. Based on historical evidence, the Home believes that a reserve for claims from unknown incidents is not necessary and, as such, no reserve has been accrued in the financial statements as of December 31, 2022.

NOTE 8 LONG-TERM DEBT

On July 1, 2020, the Home obtained an unsecured loan from the Diocese of Fall River in exchange for paying off old outstanding invoices that were owed to the Diocese. The loan payable consists of the following at December 31, 2022:

<u>Description</u>	
2.5% unsecured loan payable to the Diocese in Monthly payments of \$5,496, including interest, through July 2042	\$ 1,014,745
Less: Current Portion	<u>(41,046)</u>
Long-Term Debt, Net of Current Portion	<u><u>\$ 973,699</u></u>

**CATHOLIC MEMORIAL HOME, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022**

NOTE 8 LONG-TERM DEBT (CONTINUED)

Scheduled principal payments on the long-term debt are as follows:

<u>Year Ending December 31.</u>	<u>Amount</u>
2023	\$ 41,046
2024	42,084
2025	43,148
2026	44,240
2027	45,358
Thereafter	798,869
Total	<u>\$ 1,014,745</u>

For 2022, interest incurred and charged to operations amounted to \$25,915.

NOTE 9 RELATED PARTY TRANSACTIONS

The Home has entered into the following transactions with related parties:

Due From Affiliates

The amounts due from related affiliates at December 31, 2022 are as follows:

Office of Diocesan Health Facilities	\$ 1,412,065
Madonna Manor, Inc.	1,023,877
Marian Manor, Inc.	2,395,204
Our Lady's Haven of Fairhaven, Inc.	1,874,633
Other Related Entities	1,361
Total	<u>\$ 6,707,140</u>

The Home has agreed not to demand payment from the related affiliates for at least 12 months from the date of the financial statements.

The Diocese of Fall River (the Diocese)

During the year ended December 31, 2022, the Home purchased various property and liability insurance as well as health insurance coverage for its employees in the aggregate amount of approximately \$1,114,000 through the Diocese. The Home owed the Diocese approximately \$310,000 for the insurance coverage for the current and prior years, which is included in accounts payable on the statements of financial position.

In fiscal year 2020, the Diocese converted \$1,224,998 of the amounts owed related to previous insurance policies into a loan from the Diocese. See Note 8 for information on this loan. During 2022, the Home-made principal payments of \$43,323.

CATHOLIC MEMORIAL HOME, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022

NOTE 9 RELATED PARTY TRANSACTIONS (CONTINUED)

Management Fees

During the year ended December 31, 2022, the Home purchased accounting and management services from the Diocese's Office of Diocesan Health Facilities (DHFO), a related organization, for an approximate total of \$580,000. No amounts are owed for these services as of December 31, 2022.

Services and Advances Provided to/from Affiliates

Certain personnel employed by related affiliates performed services for the Home. The applicable salaries and benefits of these employees are reimbursed by the Home. The value of these services totaled approximately \$118,000. At December 31, 2022 the Home owed approximately \$179,000 for these services for the current and prior years, which are included in due from affiliates on the statement of financial position.

Employees of the Home also provided services to related affiliates. The applicable salaries and benefits of these employees are reimbursed by the related affiliates. The value of these services totaled approximately \$76,000. At December 31, 2022 the related affiliates owed approximately \$98,000 for these services for the current and prior years, which are included in due from affiliates on the statement of financial position.

During the year ended December 31, 2022, the Home has also loaned approximately \$355,000 to its affiliates to allow these organizations to meet their cash needs. Currently, there are no repayment terms, and the Home is not charging interest on the loans. During the year ended December 31, 2022, the Home received \$100,000 in repayments from the affiliates for the loans. At December 31, 2022 the affiliates owed \$6,541,552 for these loans. The loans are included in due from affiliates on the statement of financial position.

Guarantee Liabilities

The Home along with the other four Diocesan Nursing Homes have guaranteed a \$1,500,000 revolving line of credit that DHFO has with a bank. The DHFO revolving line of credit has interest-only payments due prior to the maturity date. The full outstanding principal balance, all accrued interest, and any other outstanding sums were originally due and payable on April 10, 2022.

DHFO requested and the lender agreed to extend the maturity date from April 10, 2022 to April 10, 2025. The Homes would be obligated to perform under this guarantee if DHFO failed to pay principal and interest payments to the bank when due. At December 31, 2022, DHFO was current on payments and did not have an outstanding balance on the line of credit.

CATHOLIC MEMORIAL HOME, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022

NOTE 10 NET ASSETS WITH DONOR RESTRICTIONS

At December 31, 2022, net assets with donor restrictions consist of funds received from donors that are restricted for the following purposes:

Endowment Net Assets: Beneficial Interest in Perpetual Trusts	\$ 3,150,968
Subject to Expenditure for Specified Purpose:	
Alzheimer's Unit	14,700
Total Net Assets with Donor Restrictions	<u>\$ 3,165,668</u>

NOTE 11 FUNCTIONAL EXPENSES

The Home provide nursing care to residents within its geographic area. The Home allocates expenses by functional classification. The functional allocation of expenses is as follows for the year ended December 31, 2022:

	Nursing Care Program	Management and General	Total
Salaries	\$ 12,481,999	\$ 477,496	\$ 12,959,495
Payroll Taxes and Benefits	2,560,675	97,958	2,658,633
Supplies	958,887	164,479	1,123,366
Purchased Services	3,389,716	111,672	3,501,388
Food	555,028	-	555,028
Other	183,452	94,644	278,096
Management Fees	579,619	-	579,619
Occupancy	504,535	72,077	576,612
Depreciation and Amortization	300,851	-	300,851
Interest	25,915	-	25,915
Bad Debt	30,001	-	30,001
User Fee	-	169,737	169,737
COVID-19 Testing	399,485	-	399,485
Total Expenses	<u>\$ 21,970,163</u>	<u>\$ 1,188,063</u>	<u>\$ 23,158,226</u>

CATHOLIC MEMORIAL HOME, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022

NOTE 12 LIQUIDITY AND AVAILABLE RESOURCES

The Home regularly monitors liquidity required to meet its operating needs and other contractual commitments, while also striving to maximize the investment of its available funds. For the purpose of analyzing resources available to meet general expenditures over a 12-month period, the Home considers all expenditures related to its ongoing program activities as well as the conduct of services undertaken to support those activities to be general expenditures. Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the statement of financial position date, include the following:

Cash and Cash Equivalents	\$ 10,922,390
Accounts Receivable - Residents	1,922,763
Total Financial Assets	<u>\$ 12,845,153</u>

NOTE 13 CONTINGENCIES

In the ordinary course of business, the Home is, from time to time, involved in various legal matters. It is the Home's opinion that any potential settlements would not be material to the accompanying financial statements.

A significant portion of the Home's net revenues and accounts receivable are derived from services reimbursable under the Medicaid and the Medicare programs. There are numerous health care reform proposals being considered on the federal and state levels. The Home cannot predict at this time whether any of these proposals will be adopted or, if adopted and implemented, what effect such proposals would have on the Home.

A significant portion of the Home's revenues are derived from services reimbursable under the Medicaid program (see Note 2). The base year costs utilized in calculating the Medicaid prospective rates are subject to audit which could result in a retroactive rate adjustment for all years in which that base year's costs are utilized in calculating the prospective rate. It is not possible at this time to determine whether the Home will be audited or if a retroactive rate adjustment would result.

A portion of the Home's revenues are derived from services under the Medicare program, (see Note 2). Under the program, cost reports are subject to audit for a period of three years from the date of issuance of a Notification of Provider Reimbursement by the fiscal intermediary. It is not possible at this time to determine whether the Home will be audited or if a retroactive rate adjustment would result.

A portion of the Home's grant revenues in 2020 was derived from the federal Payroll Protection Program to use to fund payroll, rent, utilities, and interest on existing debt. It is not possible at this time to determine whether the Home will be audited or if a retroactive adjustment would result.

CATHOLIC MEMORIAL HOME, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022

NOTE 14 COVID-19 IMPACT AND STATE RELIEF GRANT REVENUE

In 2020, the World Health Organization declared the spread of Coronavirus (COVID-19) a worldwide pandemic. The COVID-19 pandemic is having significant effects on global markets, supply chains, businesses, and communities. In response to the pandemic and in an effort to supplement lost revenues and support increased costs incurred to secure personal protective equipment, the federal and state governments issued stimulus payments to skilled nursing facilities.

During 2022, the Home received and recognized state grants to provide funding to respond to the COVID-19 pandemic as follows:

State COVID-19 Testing Grant - The Home received payments from the Commonwealth of Massachusetts Executive Office of Health and Human Services (EOHHS) which amounted to \$698,964 and recognized those payments as revenues during fiscal year 2022. The revenues recognized are included in State Relief Grant Revenue on the statement of activities and changes in net assets. The grant payments received are to offset COVID-19 testing costs incurred by the Home. Management believes the amounts have been recognized appropriately as of December 31, 2022.

American Rescue Plan Act (ARPA) Funds - The Home received ARPA funds from the Commonwealth of Massachusetts which amounted to \$195,773 and recognized those payments as revenues during fiscal year 2022. The revenues recognized are included in State Relief Grant Revenue on the statement of activities and changes in net assets. The payments received are subject to restrictions on the time period and type of expenses that these payments can be spent on. The Home's spending on these payments is subject to reporting requirement. Management believes the amounts have been recognized appropriately as of December 31, 2022.

Workforce Recruitment and Retention Grant - The Home received payments from the Commonwealth of Massachusetts which amounted to \$684,262 and recognized those payments as revenues during fiscal year 2022. The revenues recognized are included in State Relief Grant Revenue on the statement of activities and changes in net assets. The payments received are subject to restrictions on the time period and type of expenses that these payments can be spent on. The Home's spending on these payments is subject to reporting requirement. Management believes the amounts have been recognized appropriately as of December 31, 2022.

COVID-19 may also impact various parts of the Home's 2023 operations and financial results including but not limited to additional costs for emergency preparedness, disease control and containment, potential shortages of health care personnel, or loss of revenue due to reductions in certain revenue streams. Management believes that the Home is taking appropriate actions to mitigate the negative impact. However, the full impact of COVID-19 is unknown and cannot be reasonably estimated as of December 31, 2022.
