

# Journeying Together

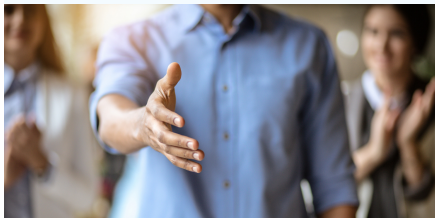

*With Jesus on the Path of Faith & Hope*

*Journeying Together is a four-year process in the Diocese of Fall River launched by Bishop da Cunha in his pastoral letter of the same name.*

The Bishop's letter lays out three mission priorities for our Diocese.

## P R I O R I T I E S

### Invitational Witness

Just like Jesus, we need to be aware of those around us, to extend invitation, and be a welcoming community. Now is the time for courageous, creative outreach.

### Sacramental Living

"Follow me and I will make you fishers of men" (Matthew 4:19) Jesus calls each of us to follow Him, and he sends us to be His instruments in the world. There is no greater way to encounter Jesus than in the Eucharist.

### Vocational Pathways

Let us all embrace our baptismal mission by mirroring the holiness of Christ in how we live our lives. All of God's people need to work together, ordained clergy and the lay faithful, embracing their universal and specific vocations.

## W H A T C A N Y O U D O ?

- Regularly attend Mass, if you've been away this is your invitation to come back, we miss you!
- Take a deeper look at your personal gifts and talents, how could you use them to engage more with your faith?
- Pray for the gift of discernment and that all individuals may hear and respond to God's call for them.
