INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Saint Vincent's Services, Inc.
Fall River, Massachusetts

Opinion

We have audited the accompanying financial statements of Saint Vincent's Services, Inc. (a nonprofit organization) ("Saint Vincent's"), which comprise the statements of financial position as of June 30, 2024 and 2023, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Saint Vincent's Services, Inc. as of June 30, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Saint Vincent's and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Saint Vincent's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Saint Vincent's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Saint Vincent's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Livingston + Haynes, P.C.

SAINT VINCENT'S SERVICES, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024 AND 2023

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Saint Vincent's Services, Inc. ("Saint Vincent's") is a non-profit corporation located in Fall River, Massachusetts. It was founded for the purpose of maintaining and operating a facility for children. Program service fees are primarily derived from contracts with the Commonwealth of Massachusetts. Saint Vincent's also operates a mental health clinic.

The significant accounting policies followed by Saint Vincent's are described below.

New Accounting Pronouncement

Allowance for Credit Losses

On July 1, 2023, Saint Vincent's adopted ASU 2016-13, *Financial Instruments - Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*, which replaces the incurred loss methodology with an expected loss methodology that is referred to as the current expected credit loss ("CECL") methodology. Saint Vincent's adopted ASC 326 using the modified retrospective transition method. The adoption did not have a material effect on reported assets, liabilities, or net assets but did change how the allowance for credit losses is determined. There are additional disclosures that are required under the ASU and these are included in this Note A and in Note S.

Accrual Basis

The financial statements of Saint Vincent's have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables and other liabilities.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

SAINT VINCENT'S SERVICES, INC.
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2024 AND 2023

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Basis of Presentation

Net assets, revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of Saint Vincent's and changes therein are classified and reported as follows:

Net assets without donor restrictions - Net assets available for use in general operations and not subject to donor-imposed stipulations.

Net assets with donor restrictions - Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires; that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Revenues are reported as increases in net assets without donor restriction unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in net assets without donor restriction. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in net assets without donor restriction unless their use is restricted by explicit donor stipulations or law. Expirations of time restrictions on net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets as net assets released from restrictions.

Revenue Recognition and Operations

Under accounting standards, revenue may be earned under exchange transactions or contribution transactions as follows:

Earned Support

Exchange transactions are measured via a principles-based process that requires the entity: 1) identify the contract with the customer; 2) identify the performance obligations in the contract; 3) determine the transaction price; 4) allocate the transaction price to the performance obligations; and 5) recognize revenue when (or as) performance obligations are satisfied. Exchange transaction revenues are under arrangements that are one year or less in length.

SAINT VINCENT'S SERVICES, INC.
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2024 AND 2023

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue Recognition and Operations (Continued)

Earned Support (Continued)

Saint Vincent's receives program service fees from cities and towns in Massachusetts, the Massachusetts Department of Children and Families and other Massachusetts state agencies. Therefore, Saint Vincent's is subject to the regulations and rate formulas of the Massachusetts Executive Office for Administration and Finance Operational Services Division ("OSD") and other similar state agencies. Revenue is recorded at Saint Vincent's rate of reimbursement as certified by OSD or the relevant Massachusetts agency. Program service fees are recognized during the year in which the related services are provided to clients. Program service fees received in advance of the delivery of services are recorded as deferred revenue. For the years ended June 30, 2024 and 2023, there was \$-0- and \$315,962, respectively, of deferred revenue recognized on the statements of financial position.

Saint Vincent's receives reimbursements from the Commonwealth of Massachusetts for providing breakfast and lunches to its clients. The school lunch program revenue is recognized during the year in which the breakfasts and lunches are provided to the clients.

For the years ended June 30, 2024 and 2023, Saint Vincent's recognized revenue of \$19,396,082 and \$14,987,944, respectively, from goods and services that transfer to clients over a period of time related to program service fees and the school lunch program.

Contract receivables related to program service fees and the school lunch program at June 30, 2024 and 2023 are \$1,569,282 and \$1,641,176, respectively.

Contributed Support

Grants and contributions are considered contributed support. In connection with conditional grants and other conditional funding for which the funding sources have a right of return or right of release, Saint Vincent's recognizes the related revenue after it has overcome any applicable barriers thereby entitling Saint Vincent's to the assets transferred or promised. Amounts received prior to overcoming the applicable barriers are reported as deferred revenues in the statements of financial position.

Contributions, including unconditional promises to give, are recognized as revenues in the period received. Conditional promises to give are not recognized until they become unconditional; that is, when the conditions on which they depend are substantially met. Contributions to be used to acquire property and equipment are reported as revenue of the net assets with donor restrictions; the restrictions are considered to be released at the time of acquisition of such long-lived assets. Contributions of financial assets other than cash are recorded at their estimated fair value. Contributions to be received after one year are discounted at an appropriate discount rate commensurate with the risks involved. Amortization of discounts is recorded as additional contribution revenue in accordance with the donor-imposed restrictions, if any, on the contributions. An allowance for uncollectible contributions receivable would be provided based upon management's judgment including such factors as prior collection history, type of contribution, and nature of fundraising activity.

SAINT VINCENT'S SERVICES, INC.
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2024 AND 2023

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue Recognition and Operations (Continued)

Contributed Support (Continued)

Saint Vincent's recognizes governmental grants once there is reasonable assurance that any conditions attached to the grant will be met and the grant will be received. Once there is reasonable assurance that the conditions will be met, the grant is recognized on a systemic basis over the periods in which Saint Vincent's recognizes as expenses the related costs for which the grants are intended to compensate. Thus, Saint Vincent's would initially record the governmental grant as a deferred income liability and then reduce the liability and recognize revenue as Saint Vincent's recognized the related cost to which the grant relates.

Contributions of Nonfinancial Assets

Contributions of nonfinancial assets are recorded at their estimated fair value. Contributions of property and equipment without donor restrictions concerning the use of such long-lived assets are reported as revenue of the net assets without donor restrictions.

During the years ended June 30, 2024 and 2023, Saint Vincent's received contributions of nonfinancial assets which consisted of software, auction items for fundraising events, toys, clothing, school supplies, and Christmas presents for the children residing at Saint Vincent's. These contributions were considered without donor restrictions and able to be used by Saint Vincent's as determined by the Board of Directors and management.

Saint Vincent's policy related to contributions of nonfinancial assets is to utilize the assets given to carry out the mission of the organization. If an asset is provided that does not allow Saint Vincent's to utilize it in its normal course of business, the asset will be sold at its fair market value as determined by appraisal or specialist depending on the type of asset.

See Note R for the composition of contributions of nonfinancial assets as of June 30, 2024 and 2023.

Operations

The statements of activities report the change in net assets from operating and nonoperating activities. Operating revenues consist of those items attributable to Saint Vincent's mission. Investment income attributable to those assets is reported as operating revenue if used in Saint Vincent's daily cash management activities or approved by Saint Vincent's Board of Directors to be used in operations. All other investment income is reported as nonoperating revenues. Additionally, gains and losses on disposal of property and equipment are classified as operating if they result from the disposal of operating assets and as nonoperating if from the disposal of nonoperating assets. Contributions are classified as nonoperating if Saint Vincent's cannot use them in its daily cash management activities either by donor restriction or Board designation.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2024 AND 2023

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Functional Allocation of Expenses

The costs of program and supporting services activities have been summarized on a functional basis in the statements of activities. The statements of functional expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

The financial statements report certain categories that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include depreciation and amortization, insurance, and occupancy expenses which are allocated on a square footage basis, as well as employee compensation and related expenses, which are allocated on the basis of estimates of time and effort.

Cash and Cash Equivalents

Cash and cash equivalents consist of cash on hand, cash in bank and short-term highly liquid investments, with maturities at purchase of less than three months. The cash equivalents, included in Note C - Investments, are not considered cash and cash equivalents in the statements of cash flows since they are managed by an outside investment advisor.

Investments

Saint Vincent's records investments in marketable securities with readily determinable fair values and all investments in debt securities at their fair values in the statements of financial position. The fair value of investments is valued at the closing price on the last business day of the year. Realized gains and losses are determined based on various methods, including the average cost method, first-in first-out method, and specific identification method depending on the type of underlying fund. Interest and dividend income is recorded when earned. Investment return, net is reported in the statements of activities and consists of interest and dividend income, realized and unrealized gains and losses, less external and direct internal investment expenses.

Saint Vincent's utilizes various methods to measure the fair value of its investments on a recurring basis. Accounting principles generally accepted in the United States of America establishes a hierarchy that prioritizes inputs to valuation methods. The three levels of inputs are:

- Level 1 - Quoted prices in active markets for identical assets or liabilities. Assets utilizing Level 1 inputs include Saint Vincent's cash equivalents, publicly-traded equity securities, and mutual funds. Valuations of these instruments do not require a high degree of judgment as the valuations are based on quoted prices in active markets that are readily available.

SAINT VINCENT'S SERVICES, INC.
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2024 AND 2023

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investments (Continued)

Level 2 - Other significant observable inputs that reflect the assumptions market participants would use in pricing an asset or liability based on market data obtained from independent market sources. These observable inputs include quoted prices for similar investments, quoted prices in markets that are not active and other inputs that are observable or can be corroborated by observable market data for substantially the full term of the asset or liability. Assets utilizing Level 2 inputs include Saint Vincent's corporate bonds and certain marketable equity securities that are not actively traded. Valuations in this category are inherently less reliable than quoted market price due to the degree of subjectivity involved in determining appropriate methodologies and the applicable underlying assumptions.

Level 3 - Unobservable inputs that reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing an asset or liability based upon the best information available in the circumstances.

The availability of observable inputs can vary from security to security and is affected by a wide variety of factors, including, for example, the type of security, whether the security is new and not yet established in the marketplace, the liquidity of markets, and other characteristics particular to the security. To the extent that valuation is based on models or inputs that are less observable or unobservable in the market, the determination of fair value requires more judgment. Accordingly, the degree of judgment exercised in determining fair value is greatest for instruments categorized in Level 3.

The inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy within which the fair value measurement falls in its entirety is determined based on the lowest level input that is significant to the fair value measurement in its entirety.

Accounts Receivable

Saint Vincent's carries its accounts receivable at estimated net realizable value when there is an unconditional right to consideration. Accounts receivable consist primarily of amounts related to grants and contracts from state and local governments and amounts due from third-party payor sources. Grants and contracts receivable are carried at the original invoice amount less amounts covered by other sources.

Management provides reserves for credit losses for its accounts receivable. These reserves are based on an analysis of historical trends of collection activity adjusted for current conditions and forecasts. These estimates are impacted by a number of factors, including changes in the economy and demographic or competitive changes in Saint Vincent's areas of operation. Accounts receivable are written off when deemed uncollectible. Recoveries of accounts receivable previously written off are recorded when received. An account is considered uncollectible when all efforts to collect the account have been exhausted. Interest is not charged on accounts receivable.

SAINT VINCENT'S SERVICES, INC.
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2024 AND 2023

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Property and Equipment

Property and equipment are stated at cost at date of acquisition or, if donated, at the fair value on the date of the gift less accumulated depreciation and amortization. Maintenance repairs and minor renewals are expensed as incurred and renewals and betterments are capitalized. When an asset is retired or disposed of, the related costs and allowances for depreciation and amortization are removed from the accounts and any gain or loss on the disposition is reflected in the statements of activities. Provision for depreciation and amortization is made on the straight-line method by annual charges to the statements of activities calculated to absorb the costs over the estimated useful lives of the assets (refer to Note D).

Debt Issuance Costs

As required by accounting principles generally accepted in the United States of America, Saint Vincent's reports unamortized debt issuance costs as a direct deduction from the face amount of the debt on the statements of financial position and amortization of such costs is included in the statements of activities as interest expense (refer to Note E).

These debt issuance costs were associated with the Federal Home Loan Bank Subsidy Agreement. When the debt was issued during the fiscal year ended June 30, 2021, Saint Vincent's began amortizing the debt issuance costs over fifteen years, the life of the Federal Home Loan Bank loan (refer to Note E).

Endowment Fund Investment and Spending Policies

Saint Vincent's endowment funds consist principally of funds that are set aside as donor-restricted endowment funds. Presently, its endowment only includes donor-restricted funds and does not include funds designated by the Board of Directors to function as endowment funds. As required by accounting principles generally accepted in the United States of America, net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

Saint Vincent's follows the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as adopted in the Commonwealth of Massachusetts and its own governing documents in the management and investment of its donor-restricted endowment funds. UPMIFA eliminated the concept of historic dollar value threshold, the amount below which an organization could not spend from the fund, in favor of a more robust set of guidelines about what constitutes prudent spending. As required by UPMIFA, Saint Vincent's policy is to follow the terms of their governing documents.

Under accounting principles generally accepted in the United States of America, Saint Vincent's is also required to include expanded disclosures for all donor-restricted endowment funds. These additional disclosures are found below and in Note M.

The Board of Directors of Saint Vincent's has interpreted UPMIFA as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary.

SAINT VINCENT'S SERVICES, INC.
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2024 AND 2023

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Endowment Fund Investment and Spending Policies (Continued)

As a result of this interpretation, Saint Vincent's classifies as net assets with donor restrictions (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. In accordance with UPMIFA, Saint Vincent's considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of Saint Vincent's, and (7) Saint Vincent's investment policies. Saint Vincent's donors have placed restrictions on the use of the investment income and net appreciation resulting from the donor-restricted endowment funds.

Investment Return Objectives, Risk Parameters and Strategies

Saint Vincent's has adopted an investment policy, approved by the Board of Directors, for endowment assets that attempts to provide a predictable stream of funding to programs supported by its endowment funds while also maintaining the purchasing power of those endowment assets over the long term. Accordingly, the investment process seeks to achieve an after-cost total real rate of return, including investment income as well as capital appreciation, which exceeds any distributions made with acceptable levels of risk.

Endowment assets are invested in a well-diversified asset mix, which includes equity and debt securities, that is intended to result in a consistent inflation-protected rate of return that has sufficient liquidity to make distributions, if needed, while growing the funds if possible.

Therefore, Saint Vincent's expects its endowment assets, over time, to earn a rate of return which exceeds the inflation rate plus the level of spending. Actual returns in any given year may vary from this amount. Investment risk is measured in terms of the total endowment fund; investment assets and allocation between asset classes and strategies are managed to not expose the fund to unacceptable levels of risk. To satisfy its long-term rate-of-return objectives, Saint Vincent's relies on a total return strategy in which investment returns are achieved through capital appreciation (realized and unrealized), rather than current yield (interest and dividends). Saint Vincent's targets a diversified asset allocation that places an emphasis on equity investments to achieve its long-term return objectives within prudent risk parameters.

SAINT VINCENT'S SERVICES, INC.
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2024 AND 2023

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Endowment Fund Investment and Spending Policies (Continued)

Spending Policy

Saint Vincent's has a policy of appropriating for optional distribution each year not more than 4% of the total portfolio market value of its endowment funds at June 30th of the previous fiscal year. In establishing this policy, Saint Vincent's considered the long-term expected return on its investment assets, the nature and duration of the individual endowment funds, many of which must be maintained in perpetuity because of donor restrictions, and the possible effects of inflation. Saint Vincent's expects the current spending policy to allow its endowment funds to grow to exceed the inflation rate annually, which is consistent with Saint Vincent's objective to maintain the purchasing power of endowment assets as well as to provide additional real growth through investment return.

From time to time, certain donor-restricted endowment funds may have fair values less than the amount required to be maintained by donors or by law (underwater endowments). The Board of Directors of Saint Vincent's has interpreted UPMIFA to permit spending from underwater endowments in accordance with prudent measures required under law. Losses on the investments of donor-restricted endowment funds reduce net assets with donor restrictions. Subsequent gains that restore the value of the endowment fund to the required level are classified as an increase in net assets with donor restrictions.

Income Taxes

Saint Vincent's is classified as a public charity exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. In addition, Saint Vincent's qualifies for the charitable contribution deduction under Section 170(b)(1)(A) of the Code and has been classified as an organization that is not a private foundation under Section 509(a)(2) of the Code.

Saint Vincent's recognizes the tax benefit from any uncertain tax position only if it is more likely than not that the tax position will be sustained upon examination by the taxing authorities, based on the technical merits of the tax position. Any tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate resolution. Management has analyzed Saint Vincent's tax positions, and has concluded that no liability for unrecognized tax benefits should be recorded related to uncertain tax positions taken on returns filed for open years (for the years ended June 30, 2021 through June 30, 2023) or expected to be taken in Saint Vincent's tax returns for the year ended June 30, 2024.

Saint Vincent's identifies its major tax jurisdictions as U.S. Federal and the Commonwealth of Massachusetts; however, Saint Vincent's is not aware of any tax positions for which it is reasonably possible that the total amounts of unrecognized tax benefits will change materially in the next twelve months. Saint Vincent's also follows the policy to recognize interest and penalties related to unrecognized tax benefits (if any) in income tax expense. No such interest and penalties have been recorded as of June 30, 2024 and 2023.

SAINT VINCENT'S SERVICES, INC.
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2024 AND 2023

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Financial Instruments and Credit Risk

Saint Vincent's manages deposit concentration risk by placing cash, money market accounts, and certificates of deposit with financial institutions believed by them to be creditworthy. At times, amounts on deposit may exceed insured limits or include uninsured investments in money market mutual funds. To date, Saint Vincent's has not experienced losses in any of these accounts. Credit risk associated with accounts receivable is considered to be limited due to high historical collection rates and because substantial portions of the outstanding amounts are from governmental agencies. Investments are exposed to various risks, such as interest rate, credit and overall market volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect the investment balances and amounts reported in the financial statements.

NOTE B - RELATED PARTY TRANSACTIONS

During the years ended June 30, 2024 and 2023, Saint Vincent's purchased various vehicle, property and malpractice insurance and medical coverage for its employees in the aggregate amount of approximately \$958,700 and \$764,800, respectively, through the Roman Catholic Bishop of Fall River ("Diocese"), a related entity. At June 30, 2024 and 2023, there were approximately \$101,800 and \$76,900, respectively, of liabilities related to this insurance coverage. These liabilities are included in accounts payable on the statements of financial position.

At June 30, 2023, Saint Vincent's was owed \$25,000 for a grant from its previous workers' compensation company (which was a related entity) to be used for loss control. The grant was included in other receivables on the statements of financial position. During the year ended June 30, 2024, Saint Vincent's received these funds from the previous workers' compensation company.

At June 30, 2024 and 2023, Saint Vincent's had accrued interest of \$5,313 payable to the Diocese related to debt obligations to the Diocese that were paid off in prior years. These amounts are included in other liabilities and accrued expenses on the statements of financial position.

For the period April 1, 1972 through June 30, 1982, St. Vincent's was unable to totally pay the interest incurred on its mortgage note with the Diocese. At June 30, 1982, the terms of the mortgage note were rewritten and the amount of the unpaid interest, at that time, became due and payable when the mortgage note was paid on June 1, 2003. The mortgage note was paid in full as of 2003 and subsequent to June 30, 2003, the Diocese agreed to accept an annual payment, for the remaining accrued interest liability, of \$50,000. During the years ended June 30, 2024 and 2023, payments of \$50,000 were made to the Diocese related to this accrued interest liability. No interest is being accrued on the unpaid balance. The amounts of unpaid interest of \$321,809 and \$371,809 at June 30, 2024 and 2023, respectively, are included in the current and long-term portion of long-term debt on the statements of financial position (refer to Note E).

During the years ended June 30, 2024 and 2023, Saint Vincent's made payments totaling \$50,000 concerning all the obligations outstanding to the Diocese as listed above. The amounts for June 30, 2024 and 2023 represent the \$50,000 annual payment of accrued interest as described above.

SAINT VINCENT'S SERVICES, INC.

JUNE 30, 2024 AND 2023

NOTE B - RELATED PARTY TRANSACTIONS (Continued)

Saint Vincent's had entered into an operating lease with one of its employees to lease one of its buildings. The employee started renting the building on April 1, 2020. The rental property had a cost of \$46,855 at June 30, 2024 and 2023 and accumulated depreciation and amortization of \$44,160 and \$43,633, respectively, at June 30, 2024 and 2023. The rental property is included in property and equipment on the statements of financial position. The lease was month-to-month. The monthly rental income was \$800. The employee moved out in July 2022. Then, in December 2023, Saint Vincents entered into a one-year noncancelable operating lease with a different employee for the same property. The monthly rental income is \$1,000 and the employee is responsible for all water and sewer charges as well as other utilities on the premises. During the years ended June 30, 2024 and 2023, Saint Vincent's recognized \$7,000 and \$800, respectively, in rental income related to these leases which is included in miscellaneous income on the statements of activities.

The future rental income to be received related to the one non-cancelable operating lease is as follows:

<u>Year Ending June 30,</u>

NOTE E - LONG-TERM DEBT (Continued)

	2024	2023
1.9% note payable to Toyota Financial Services, in monthly principal payments of \$579 to October 2025, collateralized by a vehicle.	\$ 1,735	\$ 8,584
Federal Home Loan Bank Subsidy, which will be forgiven in 15 years from January 9, 2024 as long as Saint Vincent's maintains the property for use for its current mission during that time period, with no interest while it is outstanding.	675,149	750,000
Accrued interest on prior-year mortgage notes to the Diocese, with annual installments of \$50,000 to June 2031, collateralized by land and buildings.	<u>321,809</u> 1,000,438	<u>371,809</u> 1,140,080
Less unamortized debt issuance costs - long-term	<u>37,390</u> 963,048	<u>40,639</u> 1,099,441
Less portion payable within one year, classified as a current liability	<u>53,481</u>	<u>64,789</u>
	<u>\$ 909,567</u>	<u>\$ 1,034,652</u>

The amount of aggregate principal installments of long-term debt for each of the five years succeeding June 30, 2024 are as follows:

Year Ending June 30,

2025	\$ 53,481
2026	50,000
2027	50,000
2028	50,000
2029	50,000

In February 2020, Saint Vincent's signed an Affordable Housing Program Direct Subsidy Agreement with the Federal Home Loan Bank of Pittsburgh to finance construction projects on Saint Vincent's campus. The total project cost was \$1,100,000. Saint Vincent's was required to spend \$350,000 of its own funds first for the construction. After exhausting the \$350,000, in November 2021, the Federal Home Loan Bank loaned Saint Vincent's the remaining project cost of \$750,000. If Saint Vincent's retains the property for use for its current mission for 15 years, then the \$750,000 will be treated as a grant and will not need to be repaid. However, if Saint Vincent's violates the agreement or does not retain the property for 15 years, then the \$750,000 will need to be repaid. In order for the 15 years to begin, a 75% occupancy of the 85 beds applied for in the Agreement would need to be reached. This had not occurred at June 30, 2023.

SAINT VINCENT'S SERVICES, INC.
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2024 AND 2023

NOTE E - LONG-TERM DEBT (Continued)

During the year ended June 30, 2024, it was determined that Saint Vincent's would not be able to reach the 75% occupancy of the original 85 beds. Thus, in order to start the 15-year period, Saint Vincent's paid back \$74,851 of the original \$750,000 to be able meet the occupancy requirements with this lower subsidy amount. As a result, the 15-year period started January 9, 2024.

The amortization of the debt issuance costs related to these notes payable for the years ended June 30, 2024 and 2023 was \$3,249. The amortization is recorded in the administrative expenses on the statements of functional expenses.

NOTE F - CONCENTRATIONS OF CREDIT RISK

Saint Vincent's maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits. At June 30, 2024, Saint Vincent's had funds on deposit with two financial institutions in excess of the federally insured limit by approximately \$3,553,900. However, all of the financial institutions are banks that maintain additional insurance covering all deposits in full through the Depositors Insurance Fund (DIF), a private, industry-sponsored fund owned by the member banks. Thus, all of the \$3,553,900 is covered by DIF at June 30, 2024. At June 30, 2023, Saint Vincent's had funds on deposit with three financial institutions in excess of the federally insured limit by approximately \$1,958,200. However, all of the financial institutions are banks that cover all deposits in full through the DIF. Thus, all of the \$1,958,200 is covered by DIF at June 30, 2023.

For the year ended June 30, 2024, Saint Vincent's derived approximately 86% of its total revenue from direct contracts with the Commonwealth of Massachusetts. Approximately \$1,462,800, or 93% of the June 30, 2024 accounts receivable balance was due from the Commonwealth of Massachusetts.

For the year ended June 30, 2023, Saint Vincent's derived approximately 81% of its total revenue from direct contracts with the Commonwealth of Massachusetts. Approximately \$1,519,400, or 93% of the June 30, 2023 accounts receivable balance was due from the Commonwealth of Massachusetts.

NOTE G - OPERATING LEASES

Saint Vincent's leases equipment under noncancelable operating leases which expire at various dates through December 2025. The leases have remaining lease terms of one to two years.

SAINT VINCENT'S SERVICES, INC.
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2024 AND 2023

NOTE G - OPERATING LEASES (Continued)

The following summarizes the line items in the statements of financial position which include amounts for operating leases as of June 30:

	2024	2023
Operating lease right-of-use assets	\$ <u>12,629</u>	\$ <u>25,901</u>
Current portion of operating lease liabilities	\$ 11,975	\$ 13,272
Operating lease liabilities, less current portion	<u>654</u>	<u>12,629</u>
Total operating lease liabilities	\$ <u>12,629</u>	\$ <u>25,901</u>

The following summarizes the weighted average remaining lease term and discount rate as of June 30:

	2024	2023
Weighted Average Remaining Lease Term	0.9 years	1.9 years
Weighted Average Discount Rate	4.75%	4.75%

The maturities of lease liabilities as of June 30, 2024 were as follows:

Year Ending June 30,	
2025	\$ 12,230
2026	<u>658</u>
Total lease payments	12,888
Less: interest	<u>(259)</u>
Present value of lease liabilities	\$ <u>12,629</u>

The following summarizes the line items in the statements of activities which include the components of lease expense for the years ended June 30, 2024 and 2023:

	2024	2023
Operating lease expense included in management and general expenses	\$ <u>13,476</u>	\$ <u>13,818</u>

NOTE H - PENSION PLAN

Saint Vincent's participates with other related and affiliated non-profit organizations in a multiemployer, contributory, defined-benefit plan.

SAINT VINCENT'S SERVICES, INC.
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2024 AND 2023

NOTE H - PENSION PLAN (Continued)

Effective December 31, 2015, the Diocese froze the Plan to new entrants and froze future benefit accruals for all current participants under the Plan. The Plan covers substantially all lay employees who were eligible to participate in the Plan prior to the Plan freeze. As of January 1, 2018, the Plan is requiring that Saint Vincent's make a monthly contribution that is billed by the Plan.

The risks of participating in multiemployer plans are different from single-employer plans in the following aspects:

- a. Assets contributed to multiemployer plans by one employer may be used to provide benefits to employees of other participating employers.
- b. If a participating employer stops contributing to a multiemployer plan, generally the unfunded obligations of the multiemployer plan may be borne by the remaining participating employers on a case by case basis.
- c. If a participating entity chooses to stop participating in a multiemployer plan, the participating entity may be required to pay the multiemployer plan an amount based on the underfunded status of the multiemployer plan, referred to as a withdrawal liability.

The plan that Saint Vincent's participates in is the Retirement Plan for Full-Time Lay Employees of Roman Catholic Bishop of Fall River, Corporation Sole ("the Plan"). Benefits under the Plan are provided through a pension plan administered by the Diocese. For the years ended June 30, 2024 and 2023, pension contributions approximated \$127,700. Saint Vincent's has determined that its contributions represent more than 5% of total contributions to the Plan during the years ended June 30, 2024 and 2023. Accumulated plan benefit information, as provided by consulting actuaries, has not been distinguished from the benefits of the other organizations participating in the Plan and is not reflected in the accompanying statements of financial position.

The Plan provided retirement payments to employees on the basis of the credits earned by those participating employees. To the extent that the Plan is underfunded, if at all, future contributions by Saint Vincent's to the Plan may or may not be affected depending upon how the Plan decides to handle the underfunding. At this time, based on Saint Vincent's understanding of the Plan, Saint Vincent's is not responsible for the underfunded status of the Plan because, presently, the Plan does not require withdrawing participants to pay a withdrawal liability or other penalty. As of June 30, 2023, the Plan included assets equal to 69.3% of the present value of accumulated benefits.

In replacement of the Plan, Saint Vincent's employees can contribute to a 403(b) Plan (refer to Note N).

NOTE I - LINES OF CREDIT

On February 18, 2016, Saint Vincent's obtained a \$500,000 secured demand line of credit with a bank. Under the line of credit, each loan was to bear interest at the national prime interest rate which was defined as the rate of interest published in the Wall Street Journal as the national "prime rate". Notwithstanding the foregoing, the rate charged should never be less than 3.5%. The line of credit was secured by two buildings that Saint Vincent's owns. Saint Vincent's closed this line of credit on August 17, 2022.

SAINT VINCENT'S SERVICES, INC.
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2024 AND 2023

NOTE I - LINES OF CREDIT (Continued)

At June 30, 2024 and 2023, Saint Vincent's also had \$73,000 and \$50,000, respectively, in lines of credit available in the form of credit cards. At June 30, 2024, \$28,112 was charged and due on the credit cards, with a total remaining line available of \$44,888. At June 30, 2023, \$27,841 was charged and due on the credit cards, with a total remaining line available of \$22,159. These amounts are included in accounts payable on the statements of financial position.

NOTE J - SURPLUS REVENUE RETENTION (UNAUDITED)

Under the applicable Commonwealth of Massachusetts regulation, Saint Vincent's may not retain an annual surplus in excess of 20% of its Commonwealth of Massachusetts program service fee revenues. A surplus in excess of the annual 20% limit is subject to recoupment or may be used to reduce future Commonwealth of Massachusetts program service fees by the Commonwealth of Massachusetts. During the years ended June 30, 2024 and 2023, Saint Vincent's had an annual surplus related to its Commonwealth of Massachusetts program service fees in excess of the 20% limit allowed under the applicable regulation of \$81,648 and \$-0-, respectively. These amounts are included in other liabilities and accrued expenses on the statements of financial position.

NOTE K - NET ASSETS WITH DONOR RESTRICTIONS

At June 30, 2024 and 2023, net assets with donor restrictions consist of funds received from donors that are restricted for the following purposes:

	2024	2023
Subject to expenditure for specified purpose:		
Life Skills program	\$ 409,248	\$ 440,021
Holiday gifts and activities	11,546	19,086
YPLP	-	2,484
Gym renovations	71,003	-
Specified equipment purchases	3,829	20,811
	495,626	482,402
Endowments:		
Subject to Saint Vincent's endowment spending policy and appropriation:		
General use	54,881	52,396
	\$ 550,507	\$ 534,798

SAINT VINCENT'S SERVICES, INC.
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2024 AND 2023

NOTE K - NET ASSETS WITH DONOR RESTRICTIONS (Continued)

Net assets were released from donor restrictions by incurring expenses satisfying the restricted purpose or by occurrence of the passage of time or other events specified by the donors as follows for the years ended June 30, 2024 and 2023:

	2024	2023
Satisfaction of program restrictions:		
Life Skills program	\$ 56,206	\$ 35,692
Holiday gifts and activities	14,195	8,425
Mental Health Clinic expansion	-	50,000
Gym renovations	48,072	-
YPLP	5,479	17,641
Specified equipment purchases	41,292	11,119
	\$ 165,244	\$ 122,877

NOTE L - ADVERTISING COSTS

Saint Vincent's expenses advertising costs for recruitment purposes as incurred. Advertising expenses for recruitment purposes for the years ended June 30, 2024 and 2023 were \$20,125 and \$36,014, respectively.

NOTE M - ENDOWMENT

Endowment net asset composition by type of fund is as follows:

	2024		
	Without Donor Restrictions	With Donor Restrictions	Total
Donor-restricted endowment funds	\$ -	\$ 54,881	\$ 54,881
Board-designated endowment funds	-	-	-
Total funds	\$ -	\$ 54,881	\$ 54,881

SAINT VINCENT'S SERVICES, INC.
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2024 AND 2023

NOTE M – ENDOWMENT (Continued)

	2023		
	Without Donor Restrictions	With Donor Restrictions	Total
Donor-restricted endowment funds	\$ -	\$ 52,396	\$ 52,396
Board-designated endowment funds	-	-	-
Total funds	<u>\$ -</u>	<u>\$ 52,396</u>	<u>\$ 52,396</u>

Changes in endowment net assets are as follows:

	Without Donor Restrictions	With Donor Restrictions	Total
Endowment net assets, June 30, 2022	\$ -	\$ 47,151	\$ 47,151
Investment return, net	-	5,245	5,245
Amounts appropriated for expenditure	-	-	-
Endowment net assets, June 30, 2023	-	52,396	52,396
Investment return, net	-	2,485	2,485
Amounts appropriated for expenditure	-	-	-
Endowment net assets, June 30, 2024	<u>\$ -</u>	<u>\$ 54,881</u>	<u>\$ 54,881</u>

NOTE N - 403(b) PLAN

Saint Vincent's has joined the Roman Catholic Bishop of Fall River 403(b) Retirement Plan (the "Plan"). Saint Vincent's participates with other related and affiliated non-profit organizations in this defined contribution deferred savings plan. The Plan is being administered by the Diocese. The Plan is based on total compensation and qualifies under Section 403(b) of the Internal Revenue Service Code. All employees are eligible to participate immediately upon employment at Saint Vincent's. Saint Vincent's is making matching contributions to the Plan. The match is 25% of an employee's contributions to the Plan with a limit of \$5,000 per year or 6% of the employee's salary, whichever is less. During the years ended June 30, 2024 and 2023, Saint Vincent's matching contributions to the Plan were \$47,056 and \$48,005, respectively.

SAINT VINCENT'S SERVICES, INC.
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2024 AND 2023

NOTE O - OTHER LIABILITIES AND ACCRUED EXPENSES

At June 30, 2024 and 2023, other liabilities and accrued expenses consist of:

	2024	2023
Accrued interest due to Diocese (see Note B)	\$ 5,313	\$ 5,313
Due to the Commonwealth of Massachusetts (see Note J)	81,648	-
Other accrued expenses	47,004	49,904
	\$ 133,965	\$ 55,217

NOTE P - COMMITMENTS AND CONTINGENCIES

In the ordinary course of business, Saint Vincent's is, from time to time, involved in various legal matters. It is Saint Vincent's opinion that any potential settlements would not be material to the accompanying financial statements.

NOTE Q - LIQUIDITY AND AVAILABILITY

Saint Vincent's regularly monitors liquidity required to meet its operating needs and other contractual commitments, while also striving to maximize the investment of its available funds. Saint Vincent's has various sources of liquidity at its disposal including cash and cash equivalents and investments.

For purposes of analyzing resources available to meet the general expenditures over a 12-month period, Saint Vincent's considers all expenditures related to its ongoing activities of providing and maintaining a facility for children, including a mental health clinic as well as the conduct of services undertaken to support those activities, to be general expenditures.

In addition to financial assets available to meet general expenditures over the next 12 months, Saint Vincent's operates with a balanced budget and anticipates collecting sufficient revenue to cover general expenditures.

SAINT VINCENT'S SERVICES, INC.
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2024 AND 2023

NOTE Q - LIQUIDITY AND AVAILABILITY (Continued)

Financial assets available for general expenditure; that is, without donor or other restrictions limiting their use, within one year of the statements of financial position date, comprise the following:

	2024	2023
Cash and cash equivalents	\$ 3,866,686	\$ 2,563,041
Accounts receivable	1,549,282	1,601,176
Operating investments, at fair value	4,478,015	2,921,655
Other receivables	43,985	57,762
Net assets with donor restrictions - rate distributions and appropriations	2,195	2,096
	9,940,163	7,145,730
Less amounts not available to be used within one year, due to:		
Board designations:		
Amounts set aside for capital campaign	5,285	5,285
Amounts set aside for special projects	268,284	268,284
	273,569	273,569
Financial assets available to meet general expenditures over the next twelve months	\$ 9,666,594	\$ 6,872,161

NOTE R - CONTRIBUTIONS OF NONFINANCIAL ASSETS

During the years ended June 30, 2024 and 2023, Saint Vincent's received contributions of nonfinancial assets that consist of the following:

	2024	2023
Toys, clothes, school supplies, and shoes	\$ 56,152	\$ 30,687
Software	17,076	-
Raffle items for fundraising events	16,876	7,675
	\$ 90,104	\$ 38,362

SAINT VINCENT'S SERVICES, INC.
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2024 AND 2023

NOTE S - ALLOWANCE FOR CREDIT LOSSES

Saint Vincent's accounts receivable primarily consists of amounts due from grants and contracts from state and local governments and amounts due from third-party payor sources. An allowance for credit losses related to these accounts receivable is established based upon historical collection rates by the age of the receivable and is adjusted for reasonable expectations of future collection performance, net of estimated recoveries. Saint Vincent's periodically assesses its methodologies for estimating credit losses in consideration of actual experience, trends, and changes in the overall economic environment.

Saint Vincent's accounts receivable and allowance for credit losses were as follows as of June 30, 2024 and 2023:

	<u>2024</u>	<u>2023</u>
Accounts receivable	\$ 1,569,282	\$ 1,641,176
Allowance for credit losses	<u>(20,000)</u>	<u>(40,000)</u>
Accounts receivable, net	<u>\$ 1,549,282</u>	<u>\$ 1,601,176</u>

The following summarizes the activity in the allowance for credit losses for the years ended June 30, 2024 and 2023:

	<u>Accounts Receivable</u>
Allowance for credit losses, June 30, 2022	\$ 40,000
Write-offs charged against the allowance	-
Recoveries collected	-
Provision for expected credit losses	<u>-</u>
Allowance for credit losses, June 30, 2023	40,000
Write-offs charged against the allowance	(25,085)
Recoveries collected	-
Provision for expected credit losses	<u>5,085</u>
Allowance for credit losses, June 30, 2024	<u>\$ 20,000</u>

SAINT VINCENT'S SERVICES, INC.
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
JUNE 30, 2024 AND 2023

NOTE T - SUBSEQUENT EVENTS

On October 2, 2024, the Diocese restructured the loan of accrued interest on prior-year mortgage notes (see Note B) that Saint Vincent's had outstanding at June 30, 2024 of \$321,809. Under the restructuring, the Diocese agreed to accept two quarterly payments each of \$108,000 on December 31, 2024 and March 31, 2025 and one final payment of \$105,809 on June 30, 2025 to pay off the loan.

The revised amount of aggregate principal installments of long-term debt for each of the five years succeeding June 30, 2024 are as follows:

Year Ending June 30,

2025	\$ 325,290
2026	-
2027	-
2028	-
2029	-

Saint Vincent's has evaluated the impact of all other subsequent events through November 7, 2024, the date the financial statements were available to be issued, and has determined that there were no other subsequent events requiring adjustment or disclosure in the financial statements.

SUPPLEMENTARY INFORMATION

INDEPENDENT AUDITORS' REPORT ON SUPPLEMENTARY INFORMATION

To the Board of Directors
Saint Vincent's Services, Inc.
Fall River, Massachusetts

We have audited the financial statements of Saint Vincent's Services, Inc. ("Saint Vincent's") as of and for the years ended June 30, 2024 and 2023, and our report thereon dated November 7, 2024, which expressed an unmodified opinion on those financial statements, appears on pages 1 and 2. Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The schedules of expenses and the schedules of management and general - other expenses on pages 36 through 38 are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.
