

Catholic Charities Diocese of Fall River

A Season of Giving and Hope 2025

In this season of hope we want to provide for those who face housing insecurity, individuals who are often forgotten during the holidays. This year, we want to fill that void. The goal is to provide “***Blessing Bags***” to all our shelter guests.

With the help of volunteers, our agency plans to assemble and distribute these blessing bags for Christmas. We will be collecting items from now until December 12th, with plans to insure that our shelters receive them by December 19th.

Our guests needs and wishes are simple: **Personal Hygiene items; warm outer gear; undergarments; slippers/flip flops; snacks; food and beverage containers; gift cards—McDonalds, Burger King, Dunkin (\$10-25), which provides a meal and a warm place to sit for a while; public transportation passes or gift cards.**

These are just a few of the items being asked for. For more information on how you can help or a full list of wish items, call us at 508 -674-4681 Ext. 1111.

Be the light, be the difference!
