Highlights of Work Completed in 2023 and Next Steps:

- Most damaged east-facing lancet stained glass panel removed, restored, and reinstalled, including new wood window frames and protective sheeting.
- On-site analysis and start of work to the Clerestory windows to help prevent additional water infiltration and protect the integrity of the stained glass.
- Erect scaffolding and begin work on the Tower, removing the Bell and restoring the masonry, flashings, and frames.
