

WHAT IS SPIRITUAL ADOPTION?

Spiritual Adoption is a precious opportunity for a person to allow God to use you to save the life of one of God's beloved children. The unborn child whom you will adopt may have no opportunity other than your faithful prayers to live the life that we all long for. I believe that the day will come in heaven when Jesus will introduce you to the child that you saved from death. Please reach out through Spiritual Adoption to save an innocent unborn baby and make it part of your family!
