

Eucharistic Miracles Exhibit

OVERVIEW

The Vatican's International Eucharistic Miracles Exhibit catalogues and presents Eucharistic miracles from throughout the world. Made famous through the work of *The Real Presence Association, Inc.*, as well as the Eucharistic miracles website created by Blessed Carlo Acutis, this exhibit aims to inspire individuals to encounter the Eucharist for who it is - the Real Presence of Jesus Christ; Body, Blood, Soul and Divinity - by educating them on these miraculous occurrences. The exhibit features panels, which include introductions, historical information, details, and images on the Eucharistic miracles.

DIOCESAN EXHIBIT

The Diocese of Fall River has its own version of the exhibit, highlighting a portion of the panels from the original exhibit. Printed on retractable banners, this version allows for both ease of transportation and set-up. No easels, hooks, or frames required. All parishes and schools have to provide is a space. The exhibit includes 30 banners in English, 15 in Spanish, and 15 in Portuguese.

The exhibit is loaned out on a first-come, first serve basis for free to diocesan parishes and Catholic schools, either in portions or in its entirety. It can be used in various ways, including:

- At parishes before and after weekend Masses
- As part of a parish event or mission, including speaker and Holy Hour
- As part of family, faith formation, adult, or school programs
- Made available in a public setting in your local community

Adjoining talks can be provided on desired topics including: Eucharistic Teaching, the miracles themselves, the lives of Eucharistic Saints, such as Bl. Carlo Acutis, or on how to engage in Eucharistic revival. Eucharistic books can also be made available for purchase to attendees.
