## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors  
Community Action for Better Housing, Inc.  
Fall River, Massachusetts

### **Report on the Financial Statements**

We have audited the accompanying financial statements of Community Action for Better Housing, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Community Action for Better Housing, Inc. as of June 30, 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## **Other Matters**

### *Other information*

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounts and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

## **Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued our report dated September 15, 2021, on our consideration of Community Action for Better Housing, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to solely describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Community Action for Better Housing, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Community Action for Better Housing, Inc.'s internal control over financial reporting and compliance.

## **NOTES TO FINANCIAL STATEMENTS**

Year Ended June 30, 2021

### **NOTE A - NATURE OF ORGANIZATION AND OPERATIONS**

Community Action for Better Housing, Inc. (CABH) is a not-for-profit corporation organized on October 30, 1995 under the laws of Massachusetts. CABH provides decent housing that is affordable to low and moderate-income persons in Fall River, MA and New Bedford, MA. CABH is supported primarily through grants and rental income.

### **NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

A summary of significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

#### ***Basis of Accounting***

The accompanying financial statements have been prepared using the accrual basis and in accordance with the reporting principles of not-for-profit accounting as defined by the Financial Accounting Standards Board's Accounting Standards Codification (FASB ASC).

#### ***Basis of Presentation***

In May of 2014 the Financial Accounting Standard Board (FASB) issued Accounting Standards Update (ASU) No. 2014-09, Revenue from Contracts with Customers (Topic 606). This ASU, as amended, provides comprehensive guidance on the recognition of revenue from customers arising from the transfer of goods and services, guidance on accounting for certain contract costs and new disclosures. The new standard supersedes current revenue recognition requirements in FASB Accounting Standards Codification (ASC) Topic 606, Revenue Recognition and most industry-specific guidance. When adopted, the amendments in the ASU must be applied using one of two methods. ASU No. 2014 -09 is effective for annual reporting periods beginning after December 15, 2019 and interim reporting period with annual fiscal years beginning after December 15, 2019.

CABH's primary revenue stream is rent charges for residential units under leases with duration of less than a year. CABH records revenue for such leases at gross potential rent. The rental value of vacancies and other concessions are stated separately to present net rental income on the accrual basis. Subsidy revenue for low-income eligible tenants is provided under a Section 8 housing assistance payment contract. This contract requires tenants to contribute a portion of the contract rent based on formulas prescribed by the Department of Housing and Urban Development. The difference from the calculated subsidy and the contract rent is paid by Neighborworks, City of New Bedford and City of Fall River.

Subsidy income is considered part of the lease and is not considered a contribution under ASC 958. This standard indicated that government payment to specially identified participants are to be considered exchanges transactions and potentially subject to ACS 606. CABH believes that such both rental and subsidy income streams are exempt from compliance with ASC 606 due to their inclusion under current and future lease standards. Revenue streams subject to ACS 606 include: Tenant reimbursement of consumption-based costs paid by CABH on behalf of the tenant, such as utilities and other monthly fees which does not apply to CABH. Additional revenue includes laundry, vending, pet and parking fees as well as damages. Such fees are ancillary to the lease process and are recognized as revenue at the point in time such fees are incurred.

**COMMUNITY ACTION FOR BETTER HOUSING, INC.**

NOTES TO FINANCIAL STATEMENTS

Year Ended June 30, 2021

**NOTE B - SIGNIFICANT ACCOUNTING POLICIES (Continued)**

***Cash and Cash Equivalents***

For purposes of the statement of cash flows, CABH considers all highly liquid investments with original maturities of three months or less to be cash equivalents. At June 30, 2021, CABH did not have any highly liquid investments. Cash is classified as unrestricted unless it is restricted by laws, regulations, regulatory or other agreements.

***Rent Receivables***

Rent receivables represent rents that are due from tenants living in various properties owned by CABH and rental subsidies from local housing authorities. A tenant receivable is considered past due if payments have not been received by CABH within 14-days. At that time, CABH issues a letter to the tenant concerning past due rents. If collection does not occur after a 14-day notice is issued, eviction proceedings begin. Accounts are written off as uncollectible if no payments are received at the conclusion of those proceedings. A subsidy receivable is considered past due if payments have not been received by CABH within 30 days. At that time, CABH contacts the local housing authorities and attempts to collect the subsidy payments. Accounts are written off as uncollectible if no payments are received at the conclusion of these procedures.

An allowance for doubtful accounts is provided based on management's valuation of outstanding receivables at the end of the year. For the year ending June 30, 2021, an allowance of \$0 was deemed necessary by management. CABH does not have a policy to accrue interest or to require collateral or other security to secure receivables.

***Rental Income***

Rental income is recognized on the accrual basis as the rents become due. The units are rented principally on short-term leases.

***Other Receivables***

Other receivables represent an overpayment due from related parties.

***Property and Equipment***

Property and equipment are recorded at cost at the date of acquisition, or if donated, at fair market value at the date of donation. Capitalization is generally applied to depreciable assets whose cost is \$2,000 or more and has a useful life of greater than one year. Expenditures for normal maintenance and repairs add to the value or extend the useful life of the related asset are capitalized. Depreciation is provided using the straight-line depreciation method over the following estimated useful lives of the below asset categories:

Depreciation is computed using the straight-line method over the estimated useful lives as follows:

	<u>Years</u>
Building	40
Improvements	5 - 40
Furniture and equipment	5 - 10

## **NOTES TO FINANCIAL STATEMENTS**

Year Ended June 30, 2021

### ***NOTE B - SIGNIFICANT ACCOUNTING POLICIES (Continued)***

#### ***Property and Equipment (Continued)***

Management evaluates the recoverability of the investment in long-lived assets on a on-going basis and recognizes any impairments in the year of determination. Long-lived assets were tested for impairment as of June 30, 2021 and in the opinion of management, there were no impairments.

#### ***Compensated Absences***

Compensated absences which are immaterial are accounted for as expenses of the period the liability is incurred.

#### ***Revenue Recognition***

Due to COVID-19 the FASB issued a statement that would delay the implementation of ASU 2014-09 (Topic 606). The organization implemented ASC 2014-09 (Topic 606) in the current fiscal year.

CABH's primary revenue stream is rent charges for residential units under leases with duration of less than a year. CABH records revenue for such leases at gross potential rent. The rental value of vacancies and other concessions are stated separately to present net rental income on the accrual basis. Subsidy revenue for low-income eligible tenants is provided under a section 8 housing assistance payment contract. This contract requires tenants to contribute a portion of the contract rent based on formulas prescribed by the Department of Housing and Urban Development. The difference from the calculated subsidy and the contract rent is paid by Neighborworks, City of New Bedford and City of Fall River.

Subsidy income is considered part of the lease and is not considered a contribution under ASC 958. This standard indicated that government payment to specially identified participants are to be considered exchanges transactions and potentially subject to ACS 606. CABH believes that such both rental and subsidy income streams are exempt from compliance with ASC 606 due to their inclusion under current and future lease standards. Revenue streams subject to ACS 606 include: Tenant reimbursement of consumption-based costs paid by CABH on behalf of the tenant, such as utilities and other monthly fees which does not apply to CABH. Additional revenue includes laundry, vending, pet and parking fees as well as damages. Such fees are ancillary to the lease process and are recognized as revenue at the point in time such fees are incurred.

#### ***Contract, Grant and Contribution Revenue Recognition***

Contract, grant and contribution revenue is recognized when earned as CABH fulfills the terms accompanying award of such funds. Revenue received but not earned is classified as either a liability or restricted net assets on the statement of financial position if they are subject to donor restrictions.

#### ***Donated Goods, Services and Facilities Received***

CABH records donated goods, services and facilities received, at fair market value at the date of donation in accordance with the recommendations of the Financial Accounting Standards Board. Donated services are recognized as contributions if the services received (a) create or enhance non-financial assets or (b) require specialized skills that are provided by individuals possessing those skills and would typically need to be purchased if not provided by donations. CABH did not receive any donated goods, services or facilities for the year ended June 30, 2021.

**COMMUNITY ACTION FOR BETTER HOUSING, INC.**

NOTES TO FINANCIAL STATEMENTS

Year Ended June 30, 2021

**NOTE B - SIGNIFICANT ACCOUNTING POLICIES (Continued)**

***Tax-Exempt Status***

CABH is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and is not considered a private foundation. CABH is also exempt from state income taxes under Chapter 180 of the Commonwealth of Massachusetts. Accordingly, no provision for income taxes is reflected in the accompanying financial statements.

CABH is subject to the provisions of the Financial Accounting Standards Board's Accounting Standards Codification (ASC) Topic 740, *Income Taxes*, as it relates to accounting and reporting for uncertainty in income taxes. Because of CABH's general tax-exempt status, management believes ASC Topic 740 has not had, and is not anticipated to have, a material impact on CABH's financial statements. CABH's income tax returns are subject to examination by taxing authorities generally for the years ended June 30, 2018, 2019 and 2020.

***Functional Allocation of Expenses***

Expenditures incurred in connection with project operations and expenses for entity and mortgagor expenses have been summarized on a functional basis in the statement of activities and functional expenses. The majority of expenses are directly identified with a program or supporting service.

The financial statement reports certain categories of expenses that are attributable to one or more program or supporting service of the Organization. Therefore, these expenses require allocation on a reasonable basis and include expenses for employee payroll and related costs and are allocated based on time and effort for the specific function.

***Use of Estimates***

The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

These amounts are on deposit with Massachusetts Housing Partnership (MHP) in accordance with the terms of mortgage agreements CABH has with MHP.

**COMMUNITY ACTION FOR BETTER HOUSING, INC.**

NOTES TO FINANCIAL STATEMENTS  
Year Ended June 30, 2021

**NOTE E - PROPERTY AND EQUIPMENT**

Property and equipment was comprised of the following at June 30, 2021:

Land	\$ 1,032,223
Building	3,403,362
Improvements	5,517,984
Furniture and equipment	177,138
	<u>10,130,707</u>
Less accumulated depreciation	<u>(2,833,120)</u>
	<u>\$ 7,297,587</u>

Depreciation expense for the year ended June 30, 2021 was \$261,372.

**NOTE F - REPLACEMENT RESERVES**

In accordance with lender recommendations, CABH sets aside cash for the replacement of property and equipment for its buildings. At June 30, 2021, CABH has reserved \$67,609 for such purposes.

**NOTE G - LINE OF CREDIT**

CABH has a line of credit with a bank with a limit of \$325,000. The line is secured by property located at 1162 - 1168 Acushnet Avenue in New Bedford, MA, and bears interest at the bank's base rate plus 0%, floating, with a floor of 4.50%, adjusted as the base rate changes. Interest was 4.50% at June 30, 2021. The balance due on the line of credit at June 30, 2021 was \$249,840. The line is subject to renewal each year and was renewed in May 2021.

**NOTE H - Paycheck Protection Program**

The Paycheck Protection Program (PPP) is a small business administration (SBA) loan that helped businesses keep their workforce employed during the Coronavirus (COVID-19) crisis. The SBA will forgive loans if all employee retention criteria are met and the funds are used for eligible expenses. Eligible expenses include funds used for payroll costs, interest on mortgages, rent and utilities (due to high subscription at least 60% of the forgiven amount must have been used for payroll.)

CABH received a PPP loan in the amount of \$92,468. If the loan is not forgiven the loan has an interest rate of 1% and a two-year maturity. CABH spent \$72,500 (78%) on payroll. The remaining amount was used on mortgage interest and utilities.

On March 17, 2021 the PPP loan was forgiven in full.

CABH maintains its cash deposits at a local financial institution insured by the Federal Deposit Insurance Corporation (FDIC). Deposits at FDIC insured institutions are insured up to \$250,000 per depositor. Of the \$577,512 bank balance as of June 30, 2021, \$250,000 was FDIC insured while the remaining bank balance of \$327,512 was insured by Depositors Insurance Fund.

**NOTE K – RELATED PARTY TRANSACTIONS**

For the year ended June 30, 2021, transactions with Catholic Social Services of Fall River, Inc. (CSS) were as follows:

- CABH leases several rental units to CSS at various locations in New Bedford, MA and Fall River, MA. CABH received \$261,955 of rental income from CSS for the year.
- CABH had an outstanding balance for services and reimbursable expenses from prior years owed to CSS. At June 30, 2021, CABH owed \$157,526 to CSS.
- At June 30, 2021, CSS owed \$318 to CABH. This amount is included in other receivables on the Statement of Financial Position.

#### **NOTE K - RELATED PARTY TRANSACTIONS (Continued)**

For the year ended June 30, 2021, transactions with St. Dominic's Apartments (St. Dom's), a related party that shares an Executive Director and CFO, were as follows:

- At St. Dom's inception, CABH advanced \$58,088 and a \$10,000 minimum capital investment to St. Dom's. The initial minimum capital investment may be paid to the sponsor after three years of operations, as long as St. Dom's meets certain performance measures prescribed by HUD.
- During fiscal year 2018, CABH became the managing agent for St. Dom's and provided property management services for the project. At June 30, 2021, St. Dom's owed \$6,632 to CABH.

For the year ended June 30, 2021, transactions with Oscar Romero House (ORH), a related party that shares an Executive Director and CFO, were as follows:

- During fiscal year 2021, ORH owed CABH \$9,993 for reimbursement of expenses CABH paid on behalf of ORH.

For the year ended June 30, 2021, transactions with Assisi Housing Corporation (Assisi), a related party that shares an Executive Director and CFO, were as follows:

- At June 30, 2021, Assisi owed CABH \$79 for reimbursement of expenses CABH paid on behalf of Assisi.

#### **NOTE L - COMMITMENTS AND CONTINGENCIES**

CABH receives funding under certain government contracts. Most of these grants and contracts are subject to possible final audit determination by certain government agencies. Management believes the aforementioned grants and contracts have been expended within their specified terms and conditions.

In August 2008, CABH obtained a mortgage from a local bank to make improvements to property that CABH owns as rental property for income-eligible households. Federal Home Loan Bank of Boston provided a local bank \$79,921 to be used as an interest rate subsidy to lower the interest rate on a mortgage to CABH. Since the mortgage agreement has the stipulation that the interest rate subsidy of \$79,921 must be returned if the property is sold or refinanced, or if CABH ceases to rent the property to income-eligible households within fifteen (15) years from date of completion of the project, a contingent liability is disclosed herein.

In August 2008, CABH obtained a mortgage from a local bank to make improvements to property that CABH owns as rental property for income-eligible households. Federal Home Loan Bank of Boston provided a local bank \$127,325 which was passed on to CABH as a non-interest-bearing direct subsidy. Since the mortgage agreement has the stipulation that the \$127,325 must be returned if the property is sold or refinanced, or if CABH ceases to rent the property to income-eligible households within fifteen (15) years from date of completion of the project, a contingent liability is disclosed herein.

***NOTE L - COMMITMENTS AND CONTINGENCIES (Continued)***

CABH holds several deferred note payables with the City of Fall River, MA, under the HOME Investment Partnership Program. See Note I for further information. The note payables accrue interest at various rates on an annual basis with final payment deferred until maturity. In the past, CABH has had similar note payables where all balances due have been forgiven. CABH expects the same to occur for the current deferred note payables. However, it is indeterminable if this will occur. As of June 30, 2021, CABH has estimated that \$209,974 of accrued interest would be payable should forgiveness not occur.

As of June 30, 2021 CABH, had reported assets held for resale of \$0.

***NOTE M - DEFERRED REVENUE***

In July 2013, CABH was awarded a \$240,000 grant from the City of New Bedford. The award funds were used for the rehabilitation of 73 Division Street, New Bedford. The grant terms include a ten (10) year affordability period which requires at least 51% of the beneficiaries of the project will be to persons with low and moderate income. The City of New Bedford placed a lien on the property for the full grant award and the lien is to remain on the property for the affordability period. Failure to comply with the affordability period or the sale of the property within that period will trigger repayment of the grant.

As of June 30, 2021, CABH has received \$239,621 from the City of New Bedford.

***NOTE N - SUBSEQUENT EVENTS***

Subsequent events have been evaluated through September 15, 2021, the date the financial statements were available to be issued. No such events requiring recording or disclosure subsequent to year-end were noted as of September 15, 2021.

***NOTE O – Coronavirus (COVID-19)***

On January 30, 2020, the World Health Organization declared the Coronavirus to be a public health emergency. On March 10, 2020, the Massachusetts Governor declared a state of emergency in response to the Coronavirus outbreak. As a result of the spread of COVID-19 there is considerable uncertainty around the duration of the pandemic and accordingly, the financial impact related to grant funding, rental income, investment income and other potential financial impacts cannot be reasonably estimated at this time.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING  
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL  
STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors  
Community Action for Better Housing, Inc.  
Fall River, Massachusetts

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Community Action for Better Housing, Inc. (CABH) (a nonprofit organization), which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 15, 2021.

**Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered CABH's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of CABH's internal control. Accordingly, we do not express an opinion on the effectiveness of CABH's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether CABH’s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity’s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity’s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM  
AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE *UNIFORM GUIDANCE*

To the Board of Directors  
Action for Better Housing, Inc.  
Fall River, Massachusetts

Community

***Report on Compliance for Each Major Federal Program***

We have audited Community Action for Better Housing, Inc.'s (CABH's) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of CABH's major federal programs for the year ended June 30, 2021. CABH's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

***Management's Responsibility***

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

***Auditor's Responsibility***

Our responsibility is to express an opinion on compliance for each of CABH's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about CABH's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of CABH's compliance.

***Opinion on Each Major Federal Program***

In our opinion, CABH's complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2021.

### **Report on Internal Control over Compliance**

Management of CABH is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered CABH's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of CABH's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis.

*A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

*A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

### ***Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance***

We have audited the financial statements of Community Action for Better Housing, as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise the basic financial statements for the year then ended, and have issued our report thereon dated September 15, 2021, which contained an unmodified opinion on those financial statements.

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Expenditures of Federal Awards is fairly stated in all material respects in relation to the financial statements as a whole.

**COMMUNITY ACTION FOR BETTER HOUSING, INC.**

NOTES TO THE SCHEDULE OF  
EXPENDITURES OF FEDERAL AWARDS

Year Ended June 30, 2021

**A. Basis of Presentation**

The accompanying schedule of expenditures of federal awards (schedule) includes the federal grant activity of Community Action for Better Housing (CABH) under programs of the federal government for the year ended June 30, 2021. The information in this schedule is presented in accordance with the requirements of 2 CFR Part 200, *Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards (Uniform Guidance)*. Because the schedule presents only a selected portion of the operations of CABH, it is not intended to and does not present the financial position, changes in net assets or cash flows of CABH.

**B. Summary of Significant Accounting Policies**

Expenditures reported on the schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years.

CABH has not elected to use the 10 percent de minimis indirect cost rate as allowed under the Uniform Guidance.

Expenditures are recognized following, as applicable, either the cost principles in OMB Circular A-122, Cost Principles for Non-Profit Organizations, or the cost principles contained in *Title 2 U.S. code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards*, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

**C. Loan Programs with Continuing Compliance Requirements**

Total expenditures in the accompanying schedule of expenditures of federal awards for the HOME Investment Partnership (HOME) program (CFDA 14.239) includes the total amount of new loans made during fiscal year 2021, as well as the unpaid principal balance from loans originated in previous years for which the Federal government imposed “continuing compliance requirements” through 42 USC 12701-12839 and 3535(d), with implementing regulations codified at 24 CFR part 92.

As of June 30, 2021, the HOME program had loan balances subject to continuing compliance requirements of \$4,804,459. Uniform Guidance (2 CFR 200.502) requires this amount be included in the “basis for determining Federal awards expended” on the current year schedule of expenditures of federal awards as the Federal government is at risk for the loans until the debt is repaid. The beginning balance of the loans subject to continuing compliance requirements was \$4,713,592 at July 1, 2020.

**COMMUNITY ACTION FOR BETTER HOUSING, INC.**

**SUMMARY OF AUDIT RESULTS**

June 30, 2021

**1. Summary of Audit Results**

*Financial Statements (Government Auditing Standards)*
