Rev. Stephen Harding Coffey, OSB.Cam, will lead us in prayer and reflection. Father Stephen is a local friend and brother, educated in Fall River Catholic schools. After becoming a Benedictine in New Mexico, he now resides at the Monastery of the Risen Christ, San Luis Obispo, CA, where he serves as oblate chaplain. He often returns for family visits and remains a faithful friend of many in the area. His background in English literature and spiritual writings, as well as being an avid reader and dedicated teacher, retreat director and lecturer, adds to his being a great friend to share on topics of spiritual dialogue with jovial discourse.
